

Aglow Transformation Opportunities in Brazil July 10-24, 2018

This will be a two-fold opportunity in Brazil: We will be using Trauma Healing Lessons in a Retreat Setting in the Sao Paulo and Rio de Janeiro Areas, and sewing/quilting Micro-Business classes in Aracatuba. If you love to quilt we could use your skills in teaching or helping teach sewing to those who are less fortunate in a way to help them make things that when sold can help provide for their families.

Most people have gone through loss or other disruptive events in their lives that have left emotional pain in their hearts. The Trauma Healing lessons we will share will allow healing of heart wounds and allow those attending to be more prepared to understand and help others who have experienced traumatic events in their lives as well.

If you have been certified in Trauma Healing or love teaching or helping others learn sewing/quilting this trip may be a perfect opportunity for you. There will be many opportunities for ministry and encouragement. If you are not currently a Trauma Healing Facilitator, but are interested in taking a Trauma Healing Certification Training, visit www.montanaaglow.org/th_schedule for the next Initial Equipping Training or Contact Pat.

We will be flying into Sao Paulo and doing a 2 day Trauma Healing Retreat in that area, flying to Aracatuba where we will do four days of Sewing/Quilting classes and Trauma Healing lessons, then flying to Rio de Janeiro for a weekend Trauma Healing Retreat. We will have other ministry opportunities that are being worked out, including a day of sight-seeing in Rio before we fly home.

We would love to have team members who are bilingual – Portuguese or Spanish/English.

Every person touched is a life transformed by God!!

The purpose of the Aglow Micro Business Transformation Outreach is to provide an evangelistic opportunity that has the potential to transform lives. Our goal is to minister to the whole person: spirit, soul and body. By showing the tangible love of Jesus in providing skills to create items to sell we can empower people to provide for the needs of their families, helping them to be a part of a business, or start their own business. Our hope is that those who learn will be able to help others to learn, sharing the love of Jesus, who cares for all people and wants them to experience a personal relationship with Him. Our goal is transformed people who impact their families and communities for Christ.
